Dear Mrs. Smith,
It has really been a pleasure to be in your class this semester. Although the work has been difficult at times, I now feel that I have achieved a greater knowledge and appreciation of Language Arts.

Dear Mrs. Smith,
I feel I have advanced very much in self-confidence this year. I hope this year helps me in the future. Have a nice summer and I hope to see you next year.

Dear Mrs. Smith,
I've enjoyed being in your class this semester. I've learned a lot about punctuation and capitalization. I've also learned that I should study more and be more responsible. I've learned about the Latin phrases in this book. Thank you for a wonderful year.

"I am to Be"

"Let us . . . boldly face the life of strife, resolute to do our duty well and manfully; resolute to uphold righteousness by deed and by word; resolute to be honest and brave, to serve high ideals, yet to use practical methods."* These words of Teddy Roosevelt could be a guide for idealistic youth.

Without goals, man would lack inspiration. Omnipresent ideals affect everything he does whether it be for his country, community, school, or home.

At Roosevelt, life is based on the principle "What I am to be, I am now becoming." The significance of this motto is found in the lives of all of us who try to make ourselves better as we strive toward our own personal goals.

The ASR's theme this year also stemmed from a desire to reach high ideals. Although students often shouted "Moon Ahead!" in jest, they seemed to realize the importance of working toward attainment.

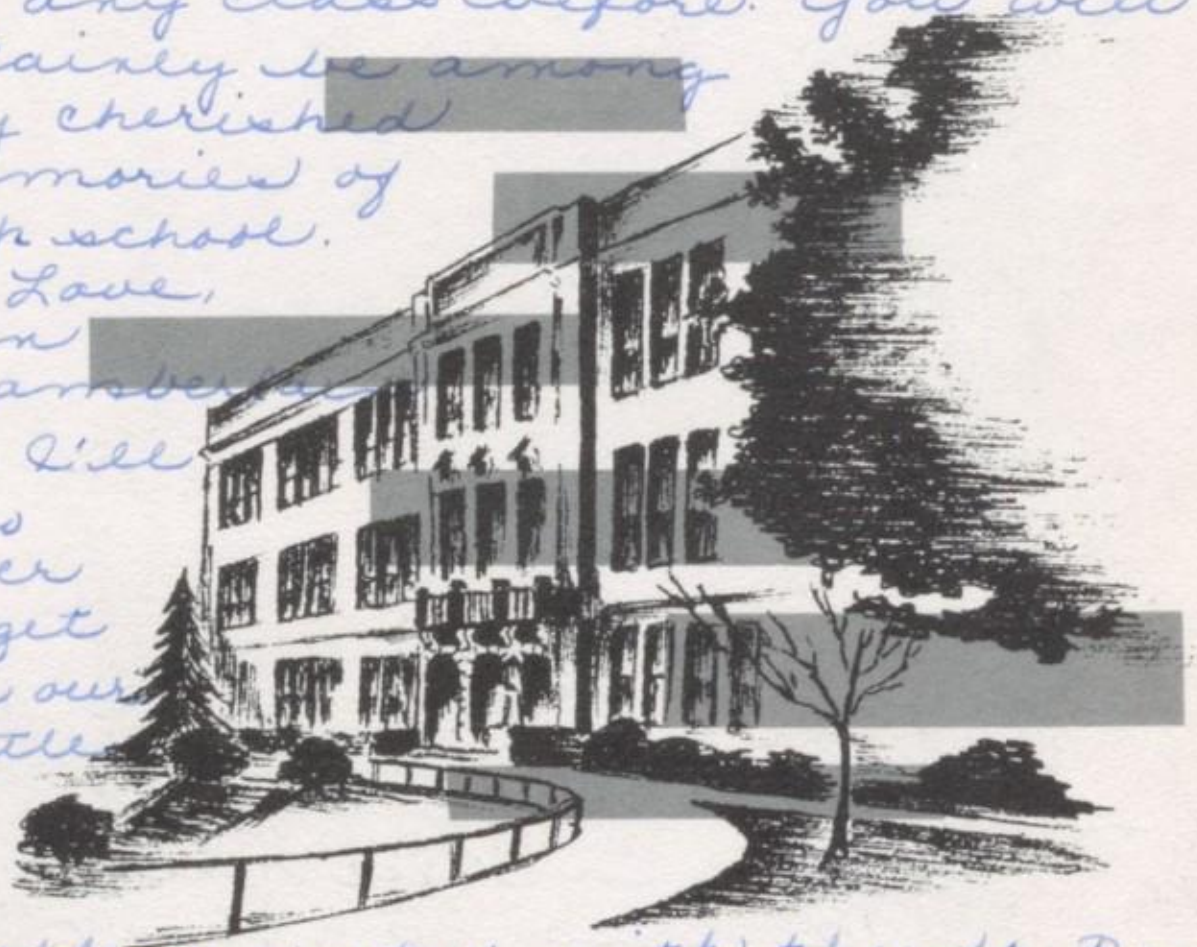
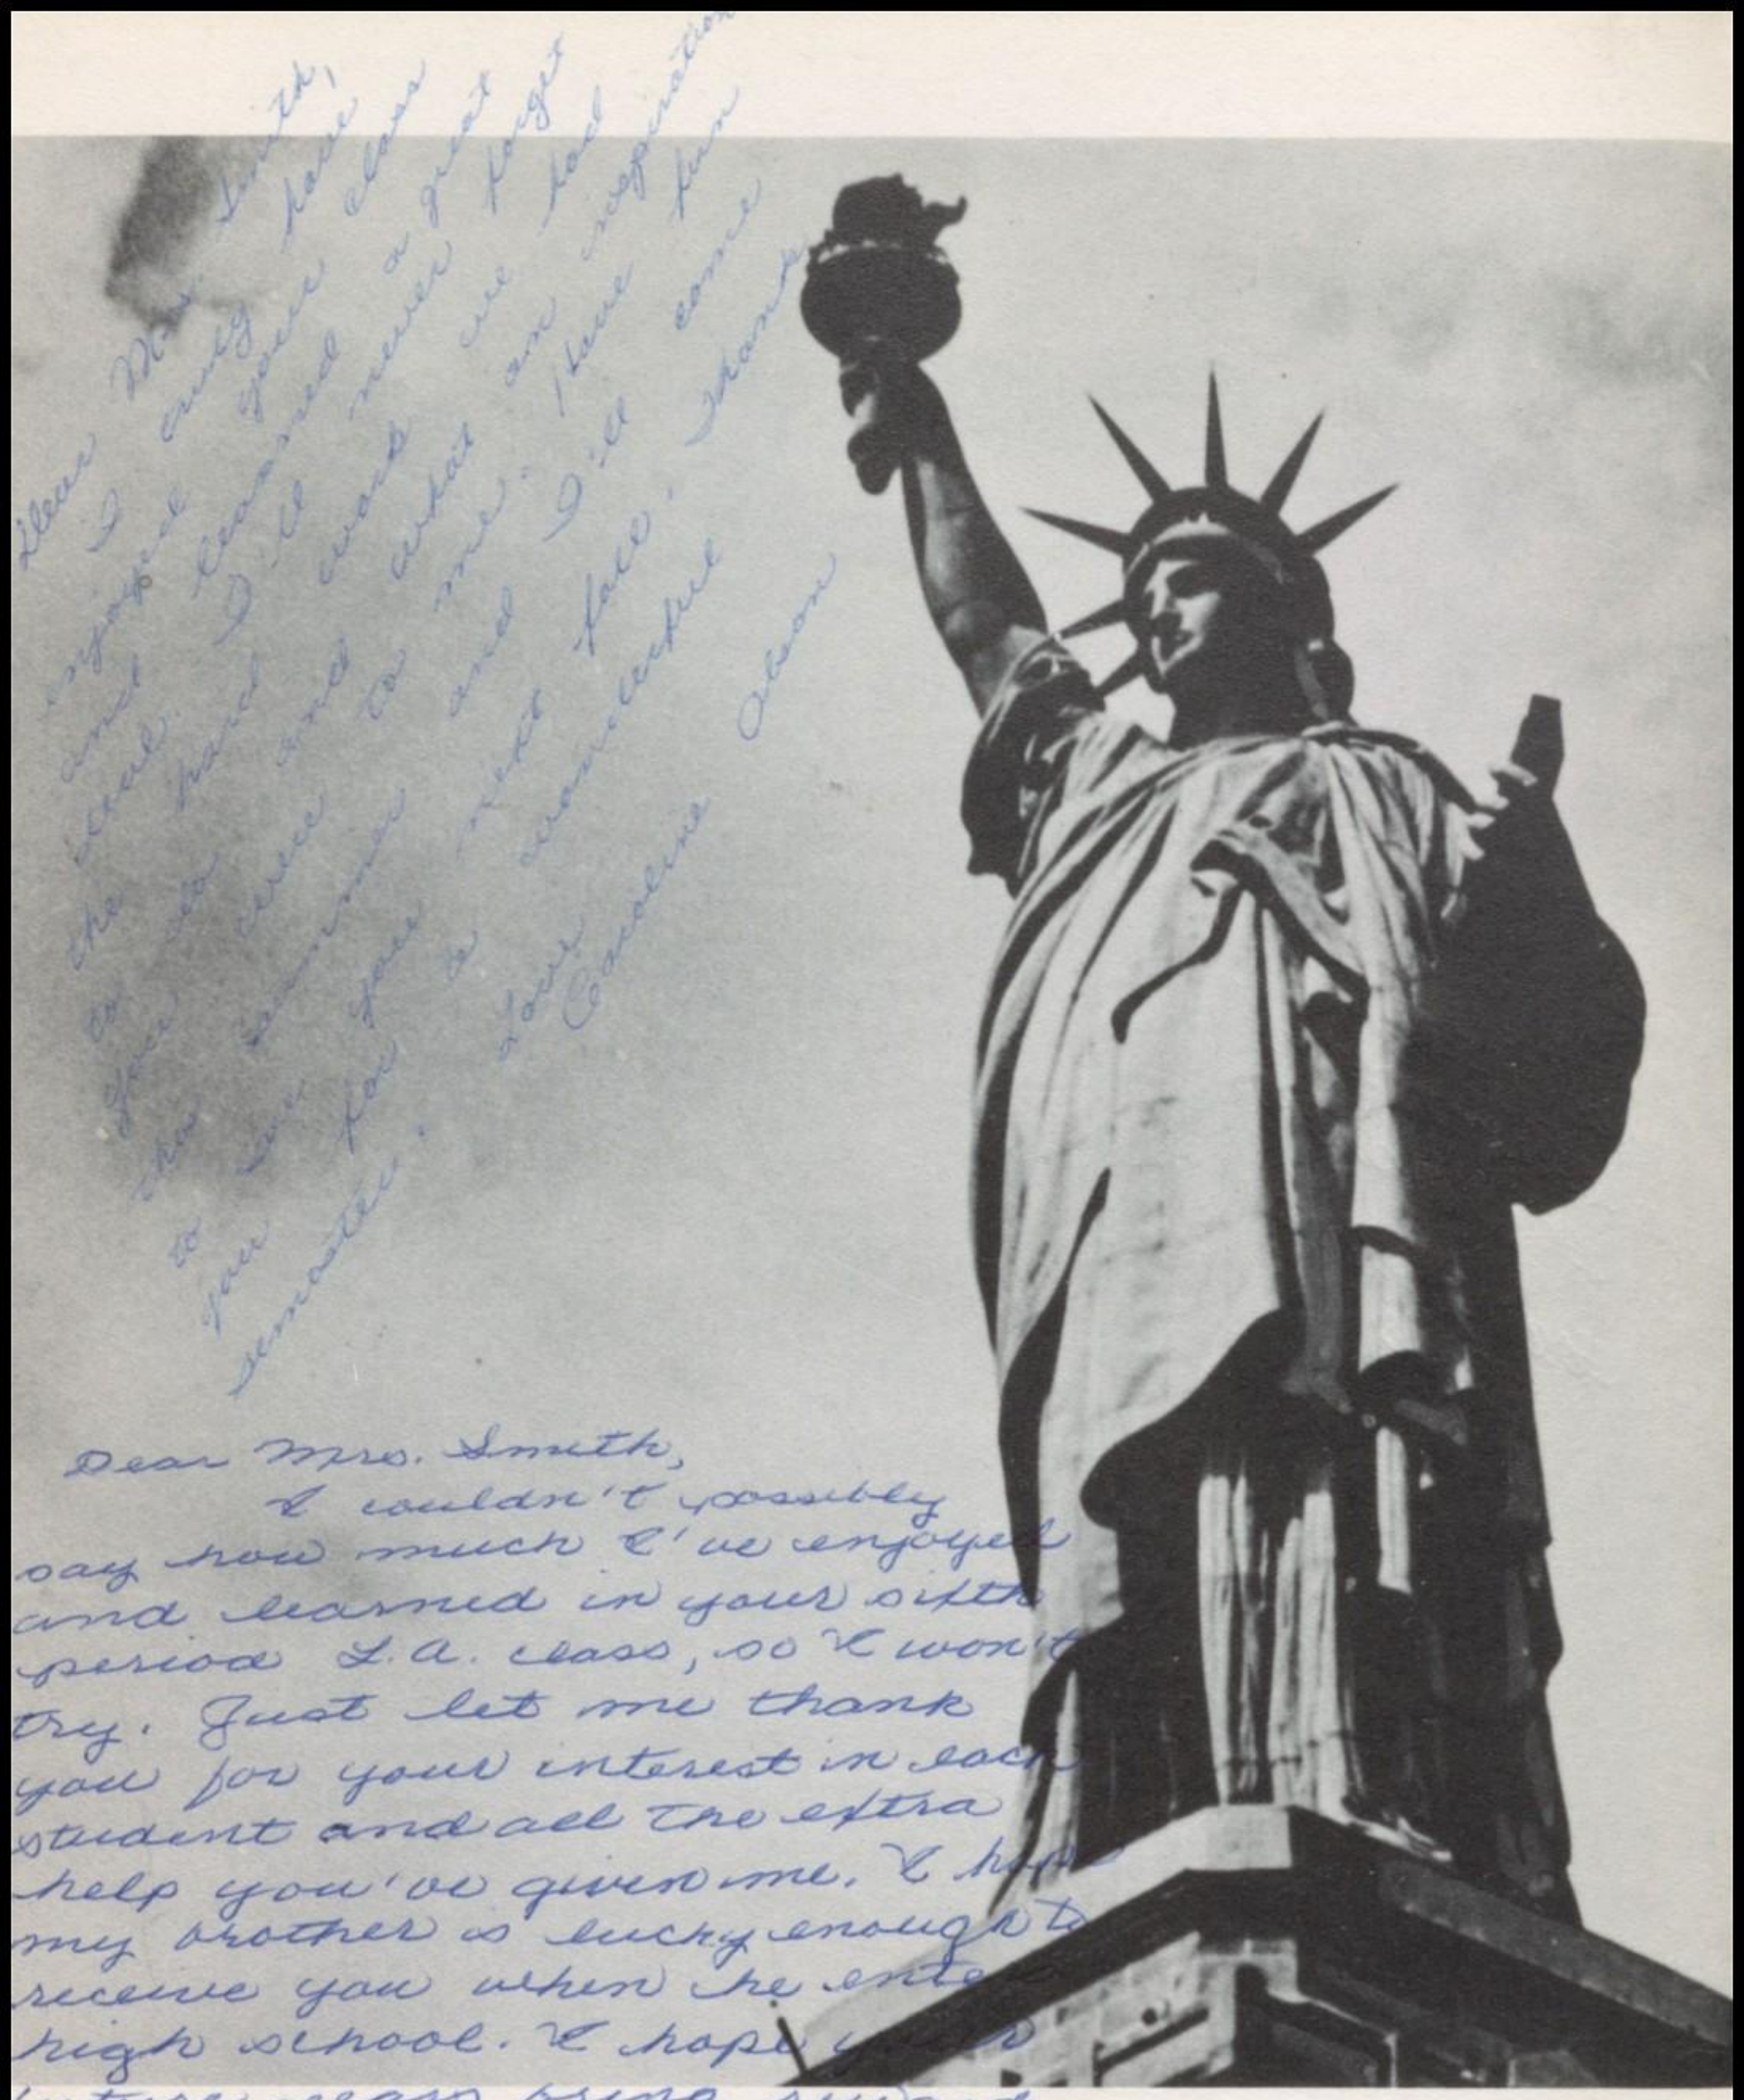
Dear Mrs. Smith,
Working with you and the rest of the class this semester has been a wonderful experience for me. Wonderful, because I have never learned so much and explored so many new fields in any class before. You will certainly be among my cherished memories of high school.
Love,
Ann Chamberlain
P.S. I'll also never forget all our little



problems, etc! with the Sr. Prom. You have been a terrific help to me through all of it!

Through education men and women of the United Nations are attempting to solve universal problems.

At Roosevelt, students are searching for a means to utilize the knowledge they receive. Faculty members use the classroom for the exchange of thought and for the promotion of high ideals just as ambassadors use the United Nations' conference table to resolve world problems.



Dear Mrs. Smith,

I couldn't possibly say how much I've enjoyed and learned in your sixth period L.A. class, so I won't try. Just let me thank you for your interest in each student and all the extra help you've given me. I hope my brother is lucky enough to receive you when he enters high school. I hope [illegible] future years bring rewards and I'm wishing you all the luck in the world.

From September on, the daily norm

And all of the Teddies are happy to hear it!

Vigor Renews Arts

Space-age America is re-evaluating its educational program. Problems of this technological era have spurred interest in secondary education.

Dr. James Bryant Conant, president emeritus of Harvard and former ambassador to West Germany, recently completed two years studying the American high school. In his pamphlet, *Dr. Conant Looks At The American High School,* he states: "I am convinced that we can have a satisfactory secondary education without any basic changes in the pattern, provided that, state-by-state and community-by-community, the citizens will do the job." Many of Dr. Conant's recommendations are in practice at Roosevelt.

Dear Mrs. Smith,
I felt pretty swamped at times, but really I learned so much this semester. I hope you make through the year! I'm looking foward to seeing the commencement play.

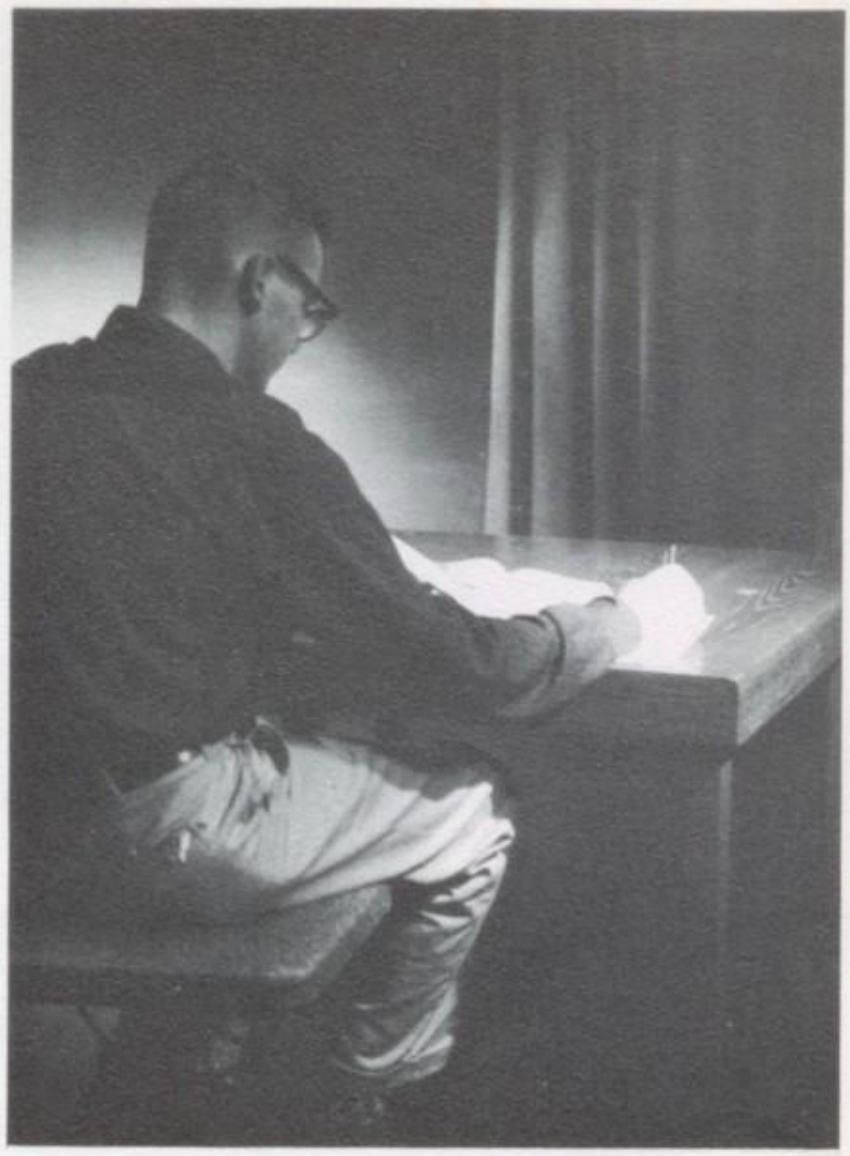
Changing Times

Roosevelt High School, although facing serious over-crowding, is adopting some of the programs suggested by educators like Dr. Conant. Roosevelt has a system of individualized programs for students and a Foreign Language Department offering instruction through the fifth year.

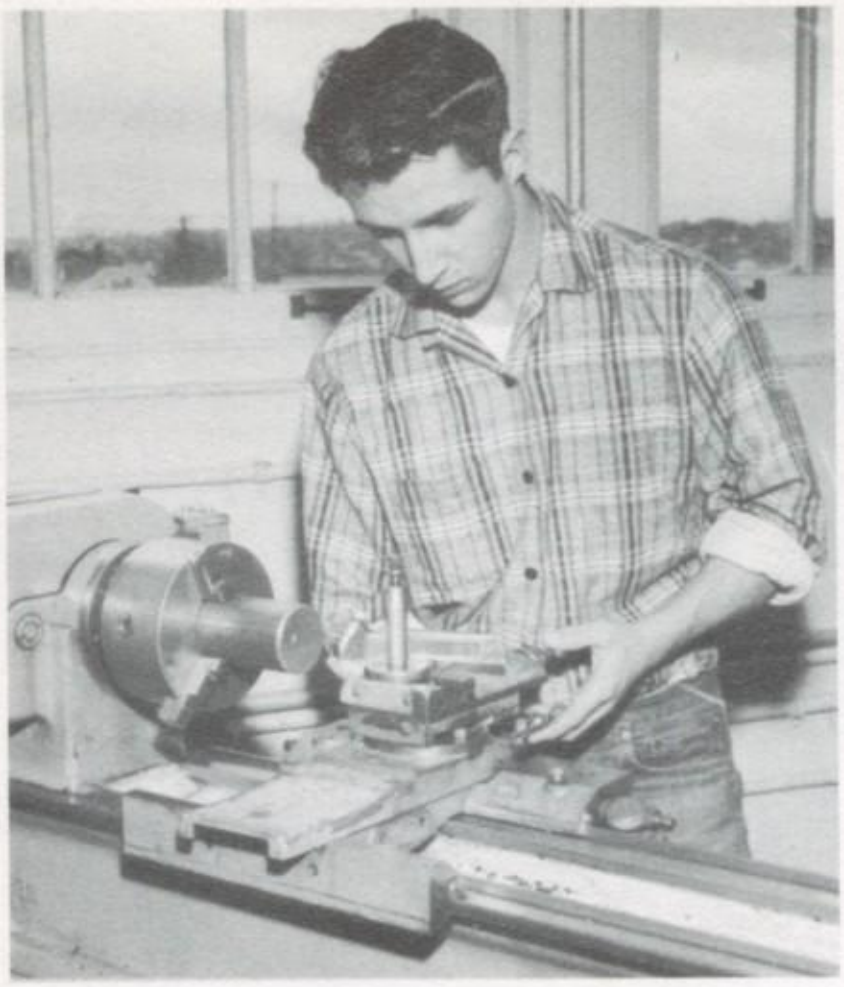
The Mathematics, Science, History, Foreign Language, and Language Arts Departments offer accelerated classes. New courses, including Russian and Math IX and X, broaden the base of Roosevelt education. These recent developments will help Roosevelt maintain its standing as one of America's top high schools in percentage of Merit Scholarships awarded.



Math Analysis is a college-level course designed to introduce the student to higher mathematics.

Nancy Busigin, Anne Rankin, Judy Shepherd, and Barbara Eustis practice culinary arts in Mrs. Celia Michel's Foods class.

Swing Band's Bob Bryan symbolizes the quality of Roosevelt's musicians.



Terry Lenon turns some stock in Mr. Ernest Lauber's metal shop.

Bill Jensen receives instruction on the fine points of driving an automobile from Mr. Leonard Thrapp, Roosevelt's Drivers' Education instructor.

Among the art students produced at Roosevelt is Nancy Knutson, winner of one of the five Hallmark Awards in the Scholastic Art Contest.

There is action to be found in the boys' gym during basketball season.

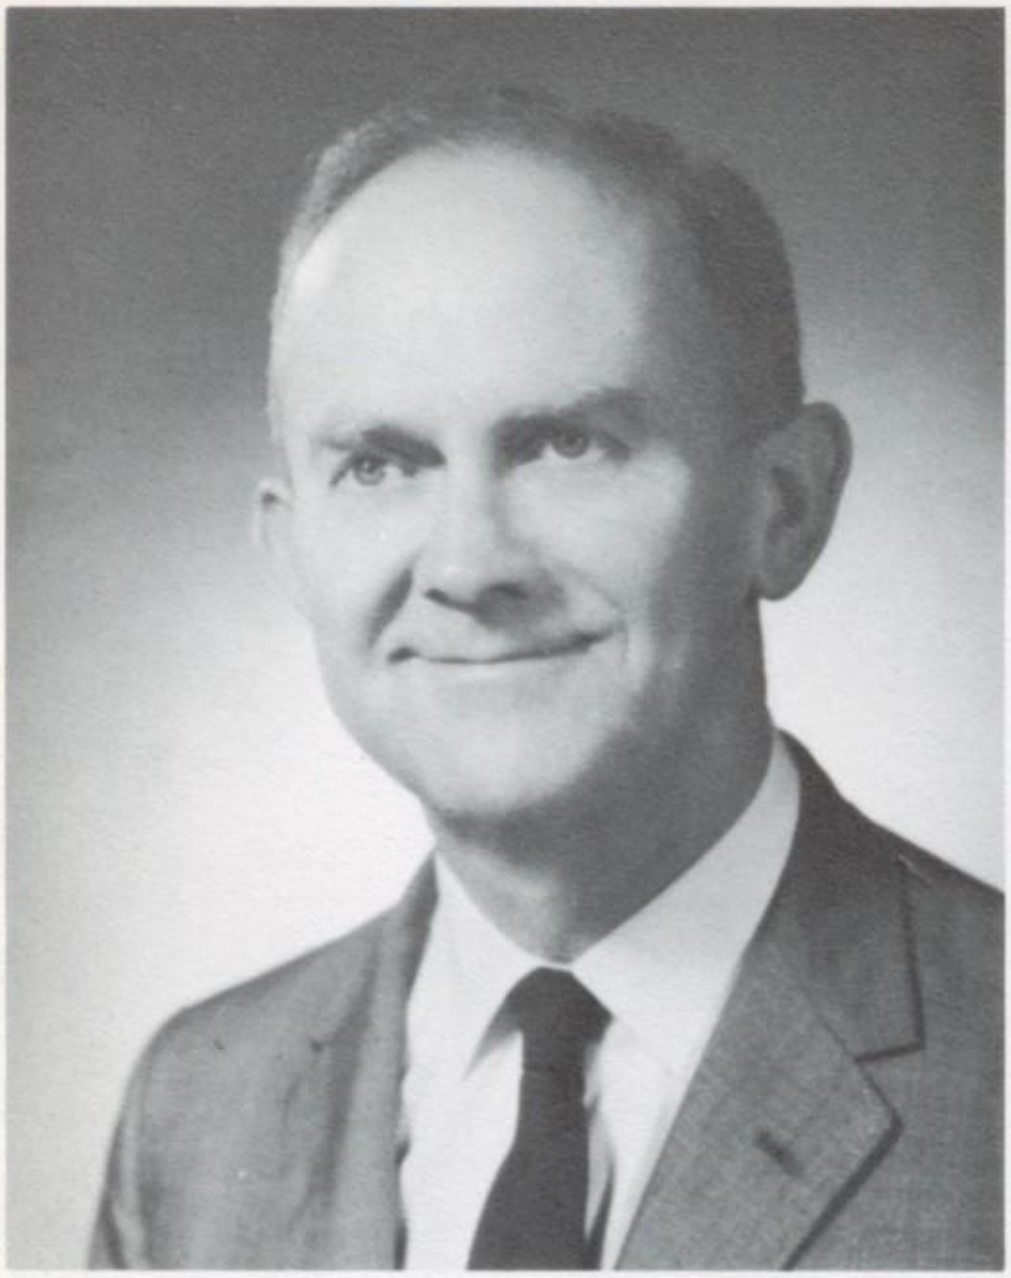
The Constitution of the United States is the basis for American government. This Constitution allows for central control through legislation. Located in Washington, D. C., the Capitol Building houses American representative groups. Roosevelt's ASR officers, committees, and student councils perform parallel functions to that of the executive, legislative, and judicial branches of American government.



Cecil F. Bullock

"Quality education, highly prized today, is no stranger to Roosevelt High School. Education in breadth and depth has been our goal ever since the school opened. Unfortunately, many of our students fail to reach this goal because of limited interests, poor planning, and insufficient effort.

"Our responsibility, then, in a day of crisis, is for all to accept the challenge of quality education. Through purposeful planning and diligent study an increasing number of students will share in the enduring benefits of this type of education."

"Once in the South Pacific watching as the ship's wake pushed aside a huge mahogany log, a shipmate said, 'The course of that log has been forever changed; because of the chance passing of a ship, it will drift along a different route.'

"While at Roosevelt, we change our courses by our contacts with ideas, teachers, fellow students, and friends. Unlike the drifting log, however, our lives have a goal. It is our hope that these contacts at Roosevelt have not just changed the course of our lives, but have contributed to our sense of direction."

Moon Ahead!

"Moon Ahead," this year's ASR theme, challenged the students to stride toward high ideals. The Orientation Assembly, held September 19th, introduced this popular motto. A new Activities Center replaced the Boys' Locker Room and became an open meeting place for all clubs, committees and students, as well as a place to confer with Mr. Charles Henderson, *activity co-ordinator*.

Pass sales climbed to ninety-seven per cent as student activities began. During lunch periods ASR Cabinet directed the playing of records. Fred Abramson headed a school constitution revision committee; a follow-up project, headed by Miss Breazeale's roll, helped familiarize students with the school constitution.

Reviewing offenses is the principal duty performed by Advisory Council. *Back row*—Judy Alexander, Terry Spragg, Judy Spence, Ted Watts. *Front row*—Chris Bone, Gay Kendall, Bob Montgomery, Flo DeTurk, Bob Monroe, Duane Locknane *(standing)*.

Mrs. Smith,

A summer picnic, held at Lake Wilderness, acquainted the chairmen with the officers under whom they were to serve.

To familiarize students with the hazards of bad-driving was the objective of this year's Traffic Safety Week.

The problem of seating 2,700 students in the auditorium challenged the members of Assembly Committee.

Teds Blast Off

Numerous Roosevelt organizations provide opportunities for students to serve their school. The ASR, Boys' Club, and Girls' Club give everyone a chance to work at the type of job he enjoys most. There are opportunities for secretarial work, art work, and library work. For those with aspirations of acting, the Sports Boosters present skits at pep assemblies; and the Building Improvement Committee promotes neatness in and around the school through clean-up-campaigns. Keeping in close contact with the various committees are the advisers who co-ordinate the activities of the groups.

Teds Mix Fuel

The Teds' reach for high ideals is expressed in their shoot for the moon. The fuel for the rocket in which they are traveling is a high-octane mixture: a combination of the three main organizations in the school: Girls' Club, Boys' Club, and the ASR. Various activities of the ASR are channeled into specialized committees, each one concerned with a particular project. These numerous committees offer opportunities for many Teds with diverse talents to have a share in shooting Roosevelt's rocket to the "moon" of high ideals.

Talents Develop

The development of talents and interests is one of the contributions clubs make to the student's search for high ideals. There are about fifteen clubs at Roosevelt. Some of them, such as Debate, develop skills that are useful to the students in their school-work; while others, such as Folkdancing, foster a recreational interest. Foreign language clubs are among activities that broaden the students' knowledge of the world; while some clubs offer an opportunity for acquaintance with a possible vocation.

Public speaking, research practice, and quick-thinking are among the skills gained in debate. Roosevelt debaters are: Jeff Spear, Charley Huffine *(standing)*, Tom Mills, Ed Stern, Chuck Bergquist, Gary Haldane *(standing)*, Greg Turner. *(Missing):* Bob Roblee, George Ordal, Candy Shorett.

Included in the program of FTA are movies and field trips which explain aspects of the teaching profession: Carol Shuman, *vice-president*, Elcena Steinmann, Susie Bradway *(seated)*, *president;* Mike Warner, *secretary;* Bobby Pitcher. *(Missing):* Carol Wilsted, Linda Pederson, Karen Oscarson, Mary Ann Miller, Meredith Morris, Rae Palmer, Margaret Steinmann, Mardie Howell, Carolyn Waldal, Linda Frankfort, Becky Wilkie, Judy Piske, Lynn Edwards, Nancy Brewer, Dean Hickey.

Clubs Create

Roosevelt possesses clubs in which students can increase their knowledge of a subject through lectures and demonstrations. All clubs are under faculty supervision.

This year's addition, Math Club, is under the supervision of Mr. Phillip Stucky, head of the Mathematics Department. Several meetings featured demonstrations of calculators, some of which were built by Roosevelt students.

Camera Club's activities included taking pictures for both the *Roosevelt News* and the *Strenuous Life*. Two members, Bob Peterson and Gary Christenson, won certificates of merit for their photography in the Eastman-Kodak High School Contest. Clubs promote opportunities for students through a range of academic fields.

Dear Mrs. Smith,

Fall Cabinet

Commencement class has been the most wonderful experience. I don't know of any other class in which I've learned more "different" things. After when we had an assignment I'd work to the best to fulfill it and then if it wasn't right at all. I'm so proud of our play and I don't know how we could have done it without you. The best of luck always to you. I hope that the sky never falls! I'll never forget you at the Club.

Love sincerely
Barbara Hamilton

"Howdy Partners," the Big and Little Sister Party, started the 1958-1959 Girls' Club year. Soon after committee sign-ups, officers held the autumn Little Conference. The theme was "Giving."

A Father-Daughter Banquet, "Dad for a Knight," re-enacted the spirit of King Arthur's court.

At Christmastime mothers and daughters filled the lunchroom for the Holly Berry Tea. Exchange students from other Seattle High Schools spoke about Christmas in other lands.

Dear Mrs. Smith

Golly, I don't know where to start! The ideas that were produced in that Commencement class were wide and often almost awe-inspiring. Even old battles were exciting! Although I'm far from being the most active member of the class I couldn't be prouder of the year.

Thank you for devoting so much time and talent (what a horrible trite phrase) to make this class an unforgettable experience.

"New Horizons" was the theme for the spring Little Conference of the Girls' Club. The Reverend Earl Palmer of the University Presbyterian Church was the speaker.

Girls' Club Week, "A Girl in Every Port," was April 6 through 10. Girls wore pastels at the beginning of the voyage of the G.C. Stateliner, which left port for Rio on Monday. Climaxing the cruise was Aloha Day, when the girls participated by wearing leis.

Elections and a rose-garden inaugural concluded the year.

Girls Share

Dottie Matthieson *(left)* and Rosemary Rodgers won the middy decoration contest, climaxing three weeks of a Middy Drive.

Every girl in Roosevelt may share in the work of Girls' Club by participating in two of the twenty-two committees comprising the Administrative, Cultural, Service, and Social Departments.

Three of the social events, the Father-Daughter and Mother-Daughter Banquets, and the Holly Berry Tea, introduce parents to school life. Climaxing the year is the Inauguration Ceremony in spring when officers and cabinet appear in formal dress, and outstanding girls are honored as Rose Maidens for having contributed toward the realization of the high ideals of Girls' Club.

A high point of the Girls' Club year is the formal inaugural in May.

Medieval decorations carried out the theme of this year's Father-Daughter Banquet, "Dad For a Knight."

Boys Supervise

The Boys' Club now occupies a place in the new Activities Center. To give the dads an opportunity to take a better look at Boys' Club, the boys presented a Father-Son Dessert in November.

The Anti-Smoking Council, Outside Traffic, and Clean-Up Committees worked for the improvement of relations with the community. The Intramural Committee organized football, basketball, and table tennis tournaments, and a track meet. Two Hot Rod Shows, the distributing of Boys' Club pencils, and a Christmas caroling party were also a part of the 1958-59 Boys' Club program.

The Publicity and Bulletin Board Committees informed the school of Boys' Club events, and the Entertainment Committee planned the agenda for the functions held during the year.

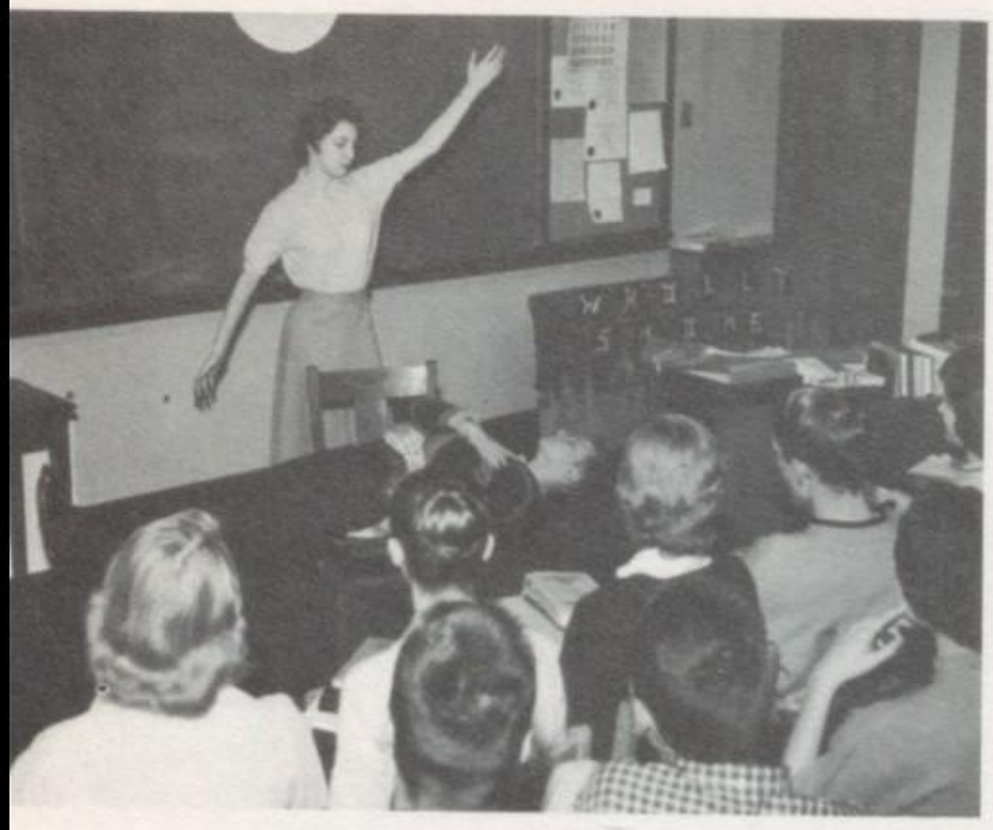
Looking towards Times Square is Broadway, the center of New York's theatrical world. With its lighted marquees, the street symbolizes the achievements of actors and actresses. At Roosevelt our Drama Department is the avenue that students with special talents may travel in an effort to realize their dreams in music and drama.



Yogi? No, it's Miss Macdonald's Speech Arts II class developing "Great Caesar's Ghost." Confidence, poise, and presentation proficiency are objectives of speech arts courses. Participating in this seance are Joanne Schuster and Hal Goldback.

In Drama I, students learn to emote in acting. Here Miss Macdonald's class portrays Shakespeare's comedy, "Taming of the Shrew." Participants are: Susie Bradway, John Terris, Jill Richmond, and Mike Sorenson.

Those interested in drama may develop a play and enter in the Drama Festival. Here a group displays how a scene might be arranged. Demonstrating are Dave Gilmartin, Susan Wendorf, Judy Alexander, Gaile Bryant, Judy Reed, Mike Stribling *(standing)*, Juanita Davis *(kneeling)*, and Betty Ellis *(prone)*.

Drama Satisfies

Featuring a different department of the school each year is becoming a tradition with the *Strenuous Life* staff. The selection for this year is the Drama Department headed by Miss Aristelle Macdonald.

The department offers Speech Arts I and II and Drama I-IV in which students acquire speaking skill, listening ability, and acting appreciation. Some productions of the various classes are the Senior Play, an entry in P.L.C. competition, and the Spring Drama Festival, each directed by students.

Miss Macdonald says that drama students develop their own personalities by portraying others.

Directed for the first time by a student, Judy Alexander, the Roosevelt entry in P. L. C. competition, "Finder's Keepers," placed first. Art Grunbaum and Kathy Gallagher received the best actor and actress awards.

Drama IV strives to create in the student a quality which will convey the desired idea to the audience. In this scene from the Senior Play, "The Matchmaker," are: Pat Wenzlaff, Jim Knisely, Mike Stribling, and Kris Albert *(hidden)*.

The Revue, though not a part of the Drama Department, gives talented students an opportunity to exhibit their various skills. Pam Leonard *(standing)* and Georgie Isaminger *(seated)* watch performers, while others wait to go on stage.

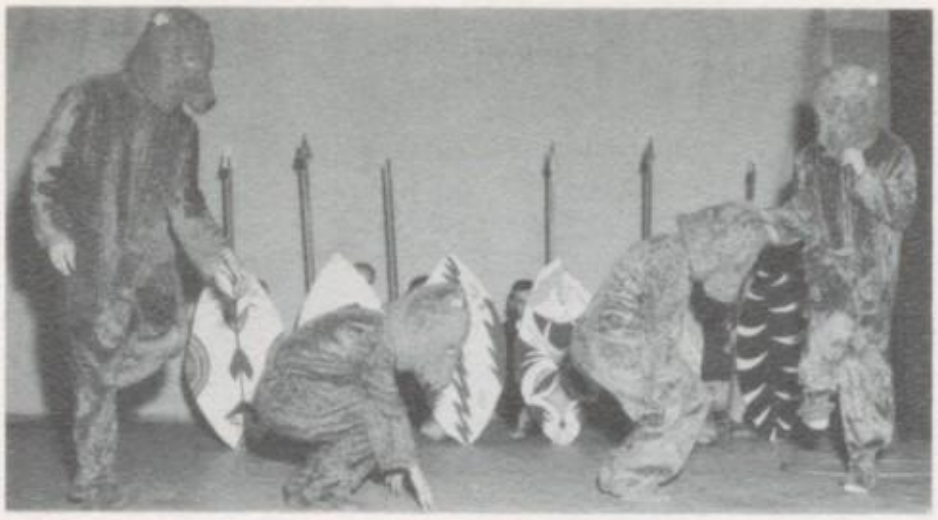
Commemorating the one-hundredth anniversary of Theodore Roosevelt's birth, this year's "Rhythm and Riot Revue" portrayed humorous aspects in the life of the school's namesake. The double performances of November 7 and 8 climaxed months of preparation. Approximately three hundred people helped to produce "Bully! Bully! Bully!"

The play followed the experiences of T.R.: his adventures on the Dakota plains; his political career; the construction of the Panama Canal; and his great expedition in Africa. The last scenes depicted Teddy Spirit at Roosevelt High School today.

Included in the cast were singers, dancers, tumblers, pantomine artists, musicians, and school leaders who created an enthusiastic finale.

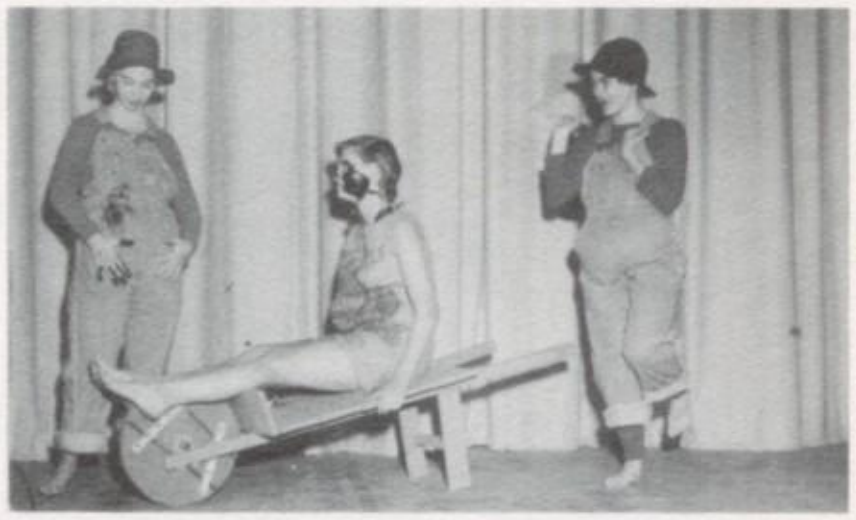
The Revue Orchestra provided background for performers as well as presenting between-scenes music. *Standing*—Jim Knalvik, Steve Newman, Joe Larson, Mary Dungan, Pat Waring, Barbara Bondelid. *Back row*—Laurellin Leigh, Jannetta Slater, Julianne Stray, Vickie Pond, Jon Long, Charles Campbell, Bruce Winston, Ken Taylor, Brehon McFarland, Steve Wilen, Dick Roblee, Sanford Heins. *Front row*—Dave Pearson, Barb Schulze, Jill Smith, Tom McKean, Mike Rogers, Barb Sivesind, Chuck Vinsongaler, Tom Ostliff, Judy Pursel, Lee Scott, Judie Wills, Mike Tanner, Bill M. Jensen. *Student conductor*—Bob Bryan.

Portraying Teddy gals of the roaring '20's were these Junior girls: Marilyn Neff, Sherri White, Caron Fortney, Nyle Clark, Susie Mowat, Barbie Taylor, Jane Haughawout, Sharon Dilworth, Carol Fortenbacher and Teri Kelley.



No story about T.R. would be complete without the traditional Teddy Bear. These Sophomore girls filled the role for Roosevelt: Betty Sells, Jill Burg, Carolyn Gowdy, and Robin Morgan.

Portraying the famous Hillbillies of Teddy's era: Candy Pearson, Jo Anne Ellerbrook, and Robin Cameron pantomine "My Clobbered Heart."



Physical fitness, advocated by T.R. is demonstrated by Roosevelt tumbling team: *Top*—Gordon Barnett, Jim Murphy, and Randy Revelle. *Bottom*—Jeff Howson, Jim Feiring and Pete Gunnarson.

"The Voice" of this year's production, Don McKinnon, provided numerous quotes from Teddy.

Groups Apply Theme

Last spring the theme was chosen for the 1958 Revue. During the summer months, directors and committees planned and organized the show. They worked every school day, with Mr. Strauss's assistance, until the final performance.

Mr. Earl Prebezac and Miss Jean Musser respectively are advisers for Costume and Make-up Corps. Stage Crew designs and builds sets for all school programs. The members handle lighting, sound, and scene shifting for auditorium performances.

For "The Matchmaker," four sets and a special curtain styled after the 1890's and early 1900's were used. Included in the musical Christmas Program was a stained glass window portraying the nativity scene. Each member of the crew originated a set for possible use in the Spring Drama Festival.

Realism is added to productions through the use of scenery and sound effects by the Stage Crew: *(Standing)*—Clark Bowen, Brian Grizzell, Mike Sorenson, Leonard Gerlach, Rick Dannenmiller, Lyle McRae, Dale Franson, Bruce Hart, Myron Nelson, *manager;* Bert Balch, Jud Matteson, Gary Thompson, Melton Myers. *(Kneeling)*—Gary Wiley, Ed Arneson, Melvyn Beam, Hal Kershner, Mr. Ivard Strauss, *adviser. "Matchmaker"

Runaway employees of a Yonkers' store, Cornelius Hackl and Barnaby Tucker, were the centers of interest in "The Matchmaker," presented by the drama students on January 9 and 10. Directed by Sharon Stolzman, this year's Senior Play related the escapades of Tucker and Hackl in New York City while they were dodging their employer, Horace Vandergelder. Mrs. Molloy and Minnie Fay, the proprietors of a ladies' hat shop, became involved in the plot when their shop was chosen as the young adventurers' hiding place.

The cast takes many curtain calls.

Songs Prevail

School events in which the Concert Choir performed were the Christmas Program, Spring Music Festival, and the Commencement Ceremony. The choir also sang for a luncheon at the University of Washington and for a Host Night Program.

Roosevelt's choir and orchestra performed in the Northwest Division of Music Educators' National Conference in the Civic Auditorium. Staying in Seattle homes during the three and a half days of rehearsals, participants from seven states were represented at the Conference. Mr. Don Craig, a member of one of Roosevelt's first graduating classes, was guest conductor of the Northwest Chorus. The all Northwest festival alternates with state festivals and meets every other year. It is held in Seattle only once in twelve years.

Nonettes, a girls' vocal group, appeared on television and sang for the State School Directors' Association at the Olympic Hotel.

Roosevelt Singers, a newly-organized group, is open to any student desiring to be in a singing class. It is a preparatory course for Concert Choir, and performs with the school orchestra, singing popular music.

Nonettes sing at school assemblies and parties, for church, and P-TA groups: Alice Penhalurick, *accompanist;* Diane Bensen, Margo Hartland, Anne Bishop, Gay Kendall, Ginny Marr, Anne Bradley, Karen Ross, Marcia Riedasch, Mary Davis.

Bands Add Cheer

Presenting the Teddy Roosevelt show during half-time at the annual Thanksgiving Day game in the High School Memorial Stadium was a highlight of the year for the band.

Roosevelt's band won the first place trophy for Class AA High School Bands marching in the Santa Claus Parade. It also participated in the Host Night Program for the Northwest Conference of Music Educators.

Music Reigns

Besides performing at various school assemblies, Roosevelt's orchestra participated with the entire Music Department in the annual Christmas Program on December 22 and in a Spring Music Festival, May 8.

Eighteen of the students in this instrumental group are members of the All-City High School Orchestra.

News Informs Teds

This year marked the introduction of Mr. Peter Rybock as the adviser of the *Roosevelt News*. In the fall, the staff consisted of Seniors who had had journalistic experience during their Junior year; however, in the spring several Juniors joined the staff as "cubs."

Featured in the 1958-59 editions were several regular columns: "Cosmo's Peanut Sputter," Bird and Boepple's "Rod and Custom," John "Ted" Ederer's "Time Out," "The Editor's Corner," the "Hi-Spy," and "Teddy Toddler" columns. At the beginning of the second semester, the *News* underwent a "face lifting" and switched to Bodoni type for its heads.

A large portion of the money which supported the paper came from the efforts of the Ad Staff, led by Ad Managers Donna Karol and Carol Czarnowsky.

The Fall *News* Staff gave Roosevelt the first of its bi-weekly newspapers. *Back row*—John Bird, Dick Boepple, Keith Allen, Christy Luker, Jim Dickinson, Rich Haugen, Alex Cameron, Tom Greaves. *Front row*—Jeannie Hatch, Jan MacDonald, Karen Groth, Molly Walton, Nancy Bennett, Judy Lounsbury, Judi Taylor.

Reviewing the progress of ad selling during the first semester were the members of the Fall Ad Staff: Ron Lehman, Judy Crossett, Rosemary Rodgers, Carol Lambert, Jan MacDonald, Keith Allen.

The enlarged Spring *News* staff provided journalistic experience for Juniors. *Back row*—Donna Murray, Cindy Dack, Kris Albert, Margo Hartland, Christy Luker, Becky Knudson, Nyle Clark, John Ederer, Pat McCorkle, Pete Preston, Wayne Evans, Greg Thompson, Fritz Field, Frank Coyle, Jack Luker, Jan MacDonald, Tad Degenhardt, Keith Allen. *Front row*—Lori Manning, Judy Lounsbury, Vivienne Kayes, Alex Cameron, Ann O'Loughlin, Judy Conrad, Dorothy Clay.

News editors correlate their departments to produce a unified paper. *Back row*—Sports editors Dick Boepple, John Ederer, John Bird. *Front row*—Exchange editors Judy Condit, Margo Hartland.

The Spring Ad Staff provided a large sum of revenue for the *News:* Ed Frazelle, Carol Czarnowsky, *all-city ad manager;* Carol Lambert, Donna Karol, *local ad manager;* Lynn Kaufman, Carolyn Ritchie, Merrily Rhodes, Barbara Feltis, Margie Meyer, Dennis Bloch, Beth MacDonald, Jean Ofstad, Judy Harte, Kay Wallace.

High Ideals Guide

"High Ideals," theme of the 1958-59 yearbook, also served as a guiding motto for the *Strenuous Life* Staff. Last year's book won first place honors in the Columbia University National Yearbook Contest.

New creative touches in this year's book are the use of gold foil laid over an engraving of Roosevelt High, and a three-color run of the Roosevelt Seal. Color blocks, a means of continuity, appear on the division pages and the cover.

The impact pictures on division pages were obtained after much correspondence. Appreciation is extended to the United Nations and the University of Meixco for two of the pictures.

By attending the annual Pacific Slope Yearbook conference, held at the University of Washington, the staff learns of new trends in publication.

After eight lean years, the Roosevelt Roughriders secured an undisputed City Football Championship. They finished with seven wins and one tie. In the final game with Lincoln with two minutes remaining, the Teds executed an eighty-eight yard pass-run play to tie the game and claim the city title. The Roughriders scored an average of nineteen points a game, and were second in total offense in the league. They were the top defensive unit in town, allowing an average of only three points per game to their opponents.

Playing on a frozen field, Roosevelt lost 7-0 to the Renton Indians in the annual Turkey Day Game.

Besides natural ability, Head Coach Lou Hull stressed teamwork and a sincere desire to win as prime factors in gaining the coveted crown. Fifteen Roosevelt players received All-City or honorable mention in the two Seattle papers. For the second straight year, Duane Locknane won the Terry Doyle Inspirational Award.

Subs Triumph

Roosevelt's Second Team, coached by Lou Hull and Don Harney, completed a season only slightly less successful than that of the varsity. The team finished with six wins and one loss, which tied them with Ballard and Lincoln for first place. The team's only loss came in the last game, which Ballard won 6-0.

Coach Don Harney mentioned in an assembly that the Second Team members really produced in their games, instead of merely wanting to suit up for varsity games. Because of the caliber of their finish and the experience they gained, Second Team members should be able to carry the varsity load next year.

The following Third Team members gained a second-place tie with Garfield in the final standings. *Back row*—Mathews, Lavier, Cole, Forzley, Danner, Beard, Peterson, Brewer, Roller, Violante, Blagg, Hendershott, Bowles, Dragseth. *Third row*—Carlson, Martin, Sakahara, Lea, Pickett, Graham, Perkins, Gallagher, Kraemer, Margeson, Fisher, Parker. *Second row*—Oster, Borgersen, Robbins, Penchos, Melton, Robinson, Frederick, Hittle, Anglin, D. Sophs Place

"Since this year's Third Team had no real speed, I would contribute its success to determination and good blocking. These resulted in good defense." Sophomore Coach Bob Lindh could add to these words another reason for the Sophs' success: they scored two or more touchdowns in every game except one.

The Third Team ran up five wins, one loss to Queen Anne, and a tie with Franklin. At the end of the season, they were deadlocked with Garfield in second place.

Because the coaches worked them harder than any other Third Team Coach Lindh can remember, the Sophomores should provide the varsity with some talent next year.

Directing the Marching Band in halftime entertainment at football games were Majorette Sharon Cordry, Drum Major Tom Ostliff, and Majorette Ardie Rogers.

Pep Inspires

Maintaining spirit this year were the Cheerleaders, Songleaders, and other groups that performed during half-time at football games. These included the Marching Band, Drill Team, and the Drum Major and Marjorettes. Because of the football championship (the first in eight years), Roosevelt stands became a wildly chanting mob. The Cheerleaders' "chain roll" innovation appeared during basketball season.

The Drum Major, Marjorettes, and Drill Team participated in the Santa Claus Parade, held November 22, in which Roosevelt's Marching Band took top honors.

Teds Third

After Roosevelt's performance in the state tournament last year, pre-season polls selected the Teds as the top team this year. The first half of the season Roosevelt played erratic ball and lost to Ballard, Queen Anne, and Lincoln. The Lincoln and Queen Anne games were thrillers that were lost in the final seconds. In the second round Roosevelt played more consistently, perhaps due to the change from the double to single post, but they lost again to the same three teams. The Roughriders' final record was ten wins and six losses, which tied them with Queen Anne for third place.

Roosevelt placed five players on the All-City selections. George Griffin received Second Team nomination in the *Seattle P.I.*, while Merv Sharp did the same in the *Seattle Times*. Bill Kuklenski and Chris Bone gained honorable mention in the *Seattle P.I.* Bob Werner received honorable mention in both papers. At the annual 101 Club Banquet Chris Bone won the inspirational award. Bill Kuklenski received the Team-man Trophy.

Seconds

Marked with new faces and some exciting games, this year's Second Team gained valuable experience. In one of the games, the team provided some thrilling action in losing to Lincoln by one point. The squad consisted of ten boys, all Juniors, who improved consistently throughout the season. Coach John Fuller practiced the boys with the varsity squad, giving both a good workout. Jim Bradley, Art Ellis, and Pen Satoris also earned their letters in first team competition. The final standings showed the Second Team in fourth place, with a record of seven wins and five losses.

Sophs Show Style

"A well balanced team was the answer to our record this year," reported Third Team Coach Bob Lindh. Finishing the season with a nine-three record, the Sophomores rated second place in the city league. Since each of the starting five players scored over eighty points during the regular season, it was difficult for opponents to concentrate on any one man. Reserves proved their value by holding the pace of the starting members. As a whole, the team showed many promising players for next year's Varsity and Second Teams.

Probably the best offensive punch came from the team's ability to use the fast break. Mr. Lindh drilled the team on this and other fundamentals, and it paid off as is shown by their record.

It has been a real pleasure being in your room this year Mrs. Smith. I feel I have learned very much not only scholastically but also socially.

The Third Team consisted of the following: *Back row* – Bob Gidner, Ernie Olson, Dave Leaver, Dave Shorett, Stew MacDonald, Bob Drury, Dan Nelson, Dave Ederer, Jack Mathews. *Front row* – Mike McCoy, Pete Bigelow, Mike Glover, Bill Vogler, Jim Miner, Tim Hagman, Ron Gerde, Gary Clanton, *mgr.*

RHO Club, an organization in which girls can take part in exercises such as badminton and volleyball, provided fun and competition for its members again this year. To climax the club's activities, a girls' roll-room basketball tournament was held. After weeks of play, Mr. Cooper's roll won first place by defeating Mrs. Brunson's roll-room team.

Six Varsity lettermen returned from last year's squad to provide the main strength of the usually successful Ted cindermen. Veterans up this spring were: John Borgstrom, *mile;* Bob Montgomery, *440;* Dan Bracken, Joel Howe, *hurdles;* Howie Strickler, *high jump;* and Willard Grabill, *pole vault.*

The Teds won in 1952 and '53, and took the runner-up spot in 1954. Last year's team wound up in second place with Franklin gaining top berth. Hoping to win the All-city championship this year, Coach John Fuller had his men out early. Stretched tendons and sore muscles were the result of strenuous conditioning as the candidates worked into shape.

Because the *Strenuous Life* deadline came before the first meet in West Seattle Stadium, April 10, the results of the squad's efforts could not be published here.

Fieldmen: *Back row* – Fred Rucker, John Laughlin, Bill Nienau, Larry Brewer, Roger Murch, Brandy Nielsen, Bill Vogler, Dirk Smith, John Candelario. *Middle row* – Russ Johnson, Gene Linden, Terry Stone, Fritz Haury, Willard Grabill, Mark Smith, Larry Cole, Cliff Porter, Howard Strickler. *Front row* – Jim Hogue, Bruce Campbell, Dick Foxal, Gary Albert, Dale Ford, Jim Long, John Hagman, Jim Hoffman, Pete Katims.

Putters Beat Par

Spring again brought the Ted Golf Team to the fairways. After finishing second to Lincoln in 1958, five veterans hoped to lead the team to first place this year. Under the tutelage of Coach John Rushing the returning varsity monogram winners were Tom Storey, Phil Frazer, Ron Hoetmer, Mike Reasor, and Bill Cassels.

Jackson Golf Course was the scene of action for five home matches. Other games were held on different courses in the city.
Due to an early *Strenuous Life* deadline, the won-loss record was not available.

Dear Ellen M. Smith-
In ninth grade I was told by a Roosevelt friend about "E. Smith" who works her students very hard. They were right. But I can still say that for the first time, I have enjoyed L.A. & this year L.A. was the only class I liked, almost.

Netmen Rally

In the past, the Ted Tennis Team placed high in City-League final standings. However, only two veterans came back this year so a first place finish was not expected. Jerry Minzel and Brion Bloomberg returned with the varsity letters.

The squad's coach, Mel Dranga, is a tennis player of national acclaim. He has played in matches all over the country and holds many trophies.

The first match of the spring season slated Roosevelt against Ballard on April 10. Since *Strenuous Life* went to press before that date, no results were available.

With Ballard the team to beat and a squad heavily loaded with Juniors, the Roosevelt batsmen began the 1959 season. The hopes of a city championship and the winning of coveted All-sports Trophy points rested on three returning lettermen and Juniors from the champion Second Team of last year.

Playing a round-robin schedule, the Roughriders met each of the south end schools once, and each of the north end schools twice. In addition, the northern division schools played Shoreline. This is the first time in recent City League baseball history that Seattle schools have competed in sanctioned play with a non-city league team.

The winners of the north and south divisions played for the city championship in Sick's Seattle Stadium on May 25.

Rolls Ramble

"Intramural athletics provide opportunity for everybody to participate in some sort of competition." These words of Adviser Robert Bell express the purpose of Intramurals at Roosevelt. Offering a wide variety of sports, the program began early in the fall and continued until late spring. Excitement ran high during the football season. A total of twenty-eight teams took part in this program, which lasted nearly two months. The Puddle Jumpers of P-7 conquered the crown.

A grueling, single elimination tournament provided fast action for basketballers. Phil's Phlabbergasted Philosophers captured the honors of this tourney. Virgil's Vikings won the basketball hoop shoot contest by sinking 27 out of 40 baskets from the charity line.

Sports Spur Teds

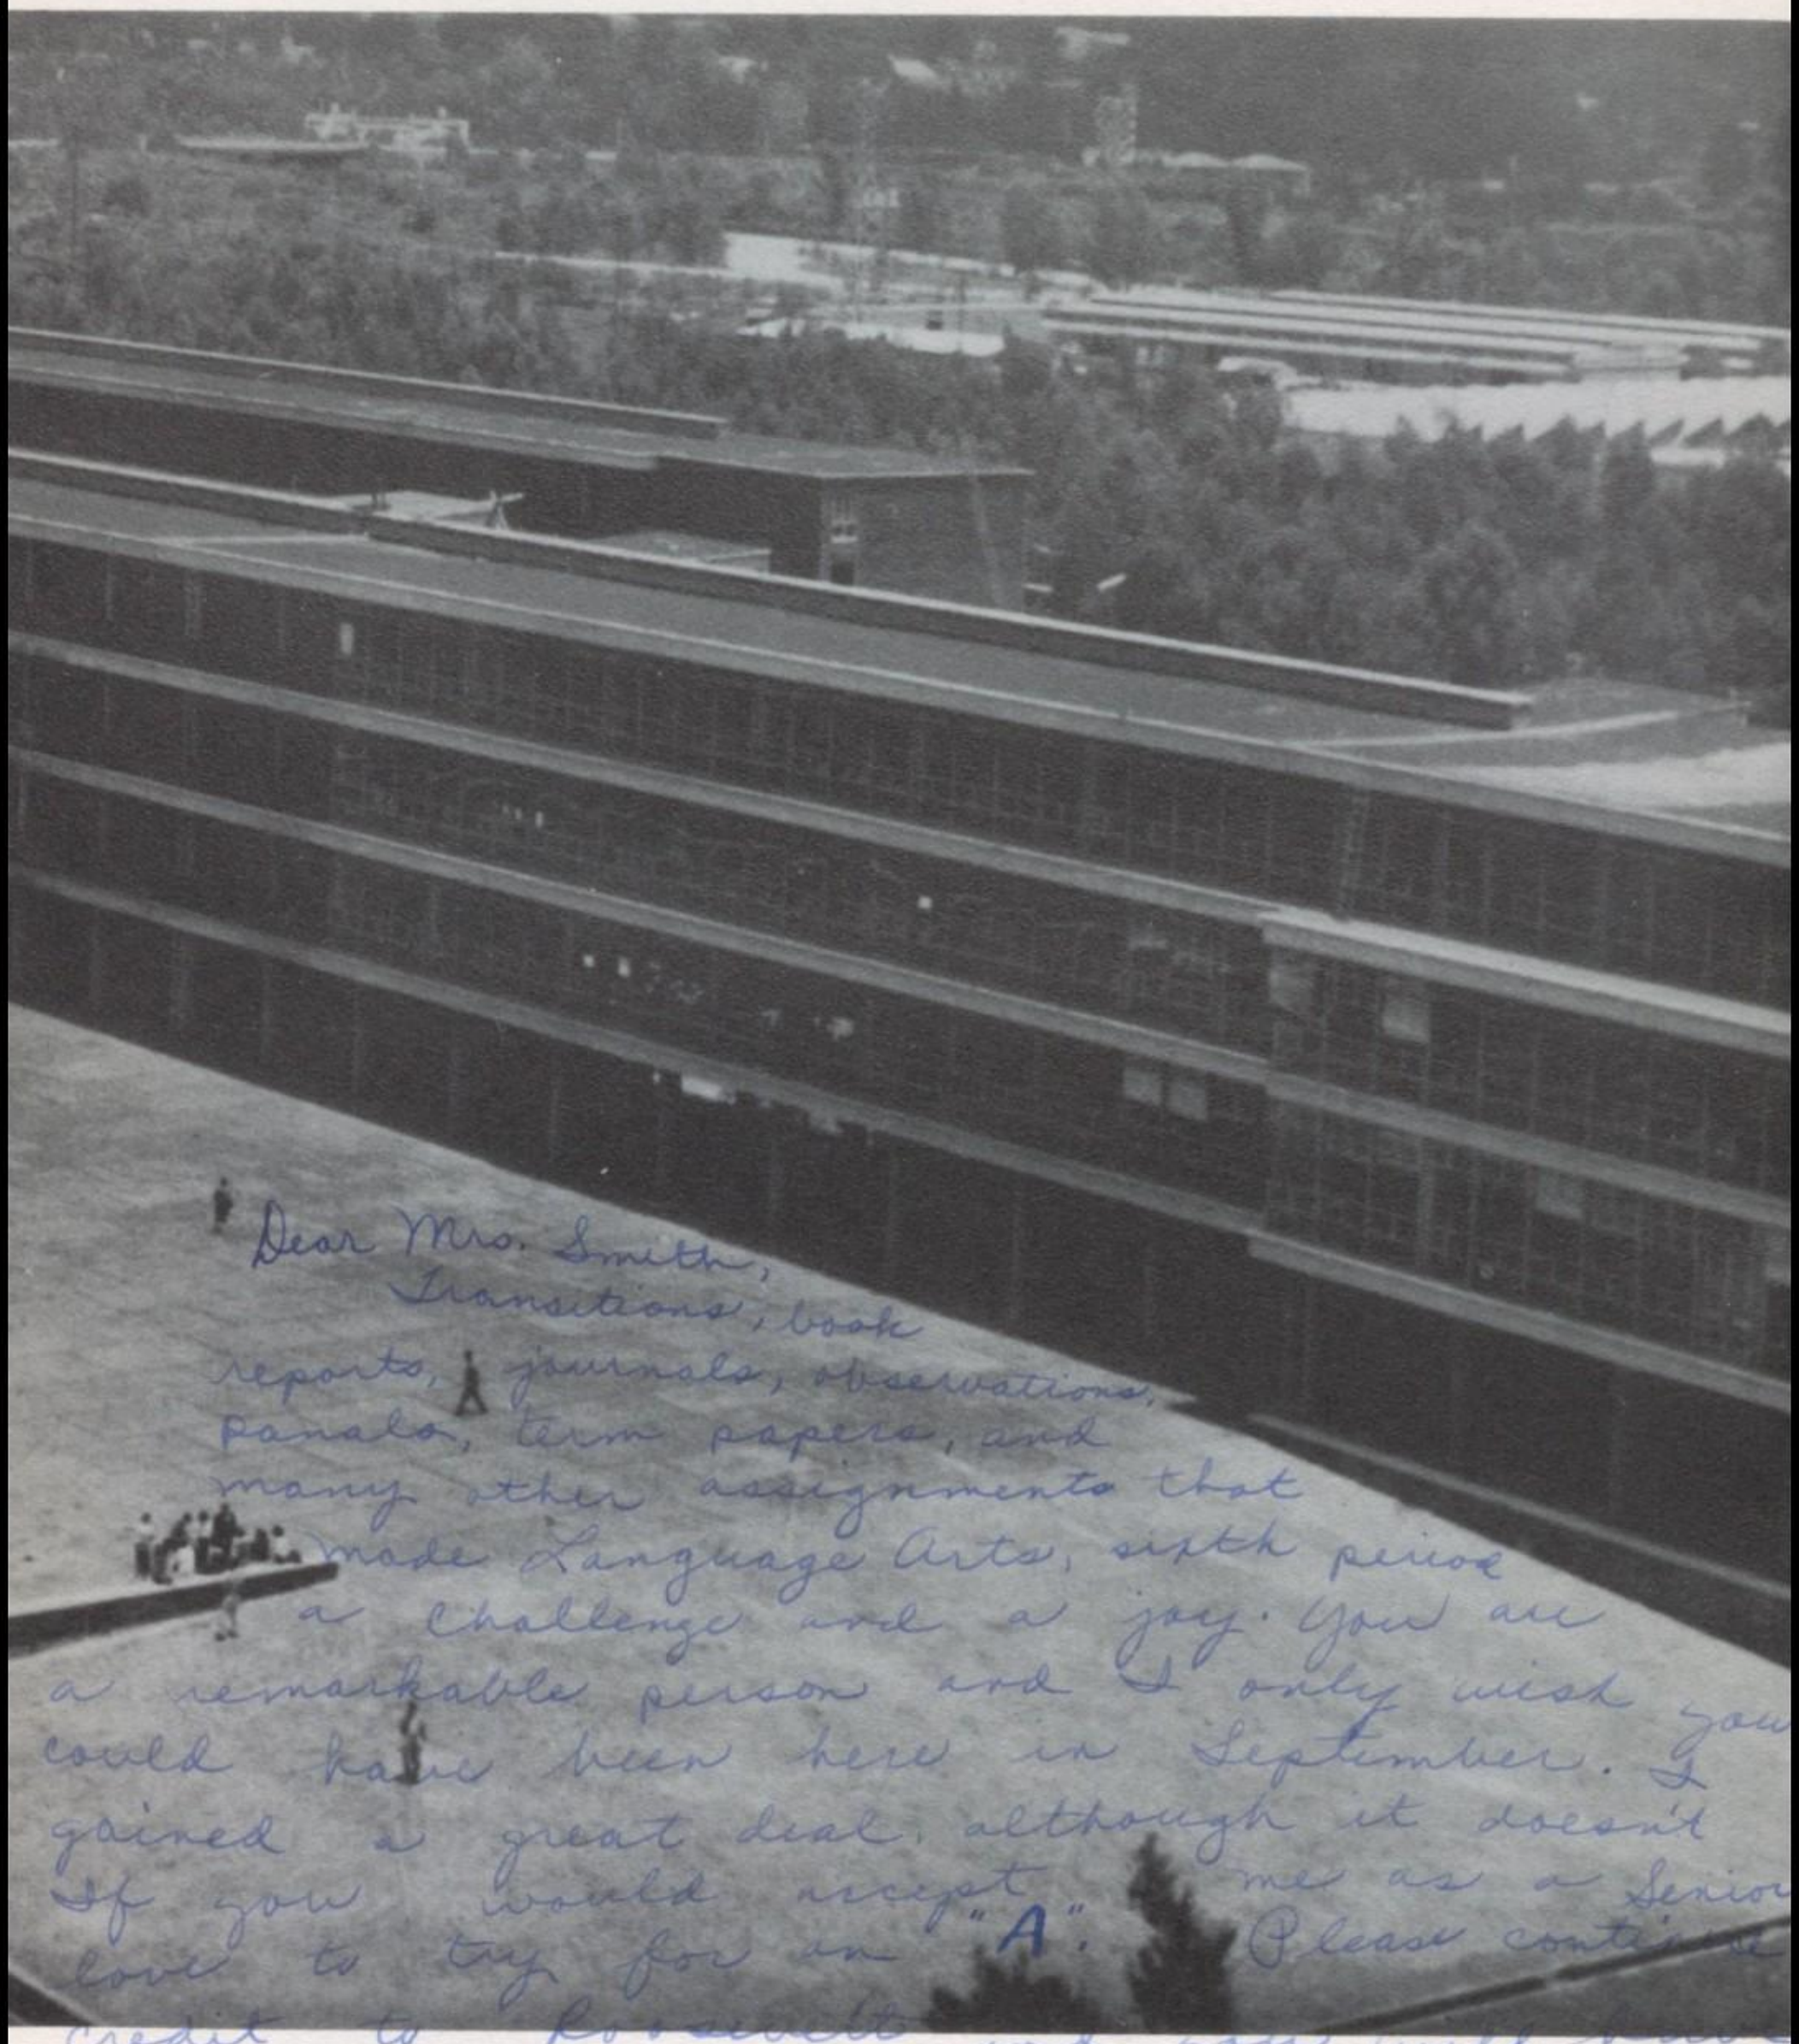
Intramural activities, independent of roll rooms, received good participation this year. Sixty-five bowlers sent pins flying every Wednesday at the U-Bowl. The Archery Club, a new division in the intramural program, met every Friday in the girls' gym. About 15 boys and girls participated regularly. Bruce Hart, one of thirty in competition, captured the pingpong tournament crown. Activity continued throughout the year in the 100-Mile Club. Every night trackmen ground out miles to earn their letters.

The spring intramural program included softball, tennis, golf, and spring basketball.

Getting in shape for the Intramural Track Meet are these Teddy runners: Pete Katims, Steve Camp, Frank Killien, Jack Cope.

Competitors in archery were Mike Fontana, Mike Prouty, Richard MacNair, Bob Eskola, Joe Irby, and Dale Donaldson.

In the ping pong championships, Bruce Hart (*foreground*) and Larry Bell fought it out for the title.



Dear Mrs. Smith,

Transitions, book reports, journals, observations, panels, term papers, and many other assignments that made Language Arts, sixth period a challenge and a joy. You are a remarkable person and I only wish you could have been here in September. I gained a great deal, although it doesn't show. If you would accept me as a Senior I love to try for an "A". Please consider me for credit to Roosevelt and you will have a Roosevelt product to be proud of.

Stepping Out

Not being content with the achievements of the past, this year's Senior Class took new strides forward by introducing three traditions: an annual Junior-Senior Spring Ball, theme of which was "Stairway to the Stars," a Senior Class cabinet, and the reviving of *Will and Prophecy*.

Many traditional activities were continued. "The Matchmaker," produced by members of the Class of '59, was this year's Senior Play. *Senior Secrets* were distributed periodically. Many joined Senior Class committees and helped direct activities. Over five hundred class pins were sold; the Class of '59 claimed victory in the inter-class Christmas Card Drive.

Graduation ceremonies, held at Hec Edmundson Pavilion on June 4, terminated the fifty-niners' stay at Roosevelt. "Bali Hai" called these graduates to the University of Washington HUB for the Senior Prom the following night.

Mrs. Smith.
I would like to thank you for your time and energy you spent this year with us officers. I know that we had a lot a fun, but could not have had as much fun or accomplished as much with you.
Thanks again, Steve Camp

Miss Audrey Spady and Mrs. Ellen McComb Smith have spent the past three years guiding this class. "The Class of '59 has been wonderful to work with, having new ideas, boundless enthusiasm, and the ability to follow through. We wish them well in their future years," said Miss Spady and Mrs. Smith.

Plan Ahead

"Plan Ahead" was the slogan adopted by the Junior Class to spearhead their activities throughout the year. With the assistance of Mrs. Lorna Erickson and Mrs. Kay Barber, *advisers*, the class completed its second year on the way to graduation.

The Junior Class elected the following officers last spring: Dan Metcalf, *president;* Fred Rucker, *vice-president;* Barbara Key, *secretary;* Carol Fortenbacher, *treasurer;* and Nancy Harrell, *ASR representative.*

This year's Revue "Bully! Bully! Bully!" included several Juniors in the cast: Jeff Steele, Peggy Hanley, Wayne Evans, and Pat Walkup. Pat is also the 1958 Northwest Senior Women's Champion in tumbling.

Juniors co-operated with Seniors this year in holding the annual Junior-Senior Party. The theme was "Mountain Magic," and Juniors participating included Peggy Hanley and Leimomi McBride.

As in previous years the Junior Class was represented in many phases of school activities.

Advising the Class of 1960 were Mrs. Lorna Erickson and Mrs. Kay Barber.

Dear mrs. Smith,
I have really enjoyed being in your class this last semester. I have really enjoyed all work I have done and my class with you was really pleasant and it's almost unbelievably when I look back and remember all I've learned. I hope to see you a lot throughout my remaining years at Roosevelt.

Class Grows

To acquaint incoming Sophomores with Roosevelt, the ASR, Girls' and Boys' Clubs, Golden Spurs, and Roughriders introduced to the newcomers the traditions, activities, and organizations that coordinate our school government.

As November 25, 1958 approached, committees, headed by one officer and another Sophomore, planned the events of the annual class party, "The Sophomore Stomp." Bob Baskerville emceed the program and dance. The Class of '61 also sponsored the April P-TA Dance and helped instigate a yelling contest between the classes in a pep assembly. Promoting interschool relations, the Sophomore officers of Roosevelt and Lincoln had a joint meeting to discuss past and future activities.

One-hundred twenty-nine Sophomores met the new qualifications of Torch. This class is the largest ever to enter Roosevelt, enrolling 1061.

Doubling as Sophomore adviser is Miss Alice Wiley of the social science department.

Spruffs Aid

"Animals—Animals—Animals . . . Yes, Lawd" drifts under the door of room 214 every Tuesday and Thursday mornings when the Roughrider's choral group meets. Mr. David Humphrey, director, introduced this choir as a new activity at Roosevelt.

The Roughriders, comprised of forty Senior boys, worked with the fifty-three Golden Spurs, Senior Girls' Honorary, in giving the community aid this year. Each month, representatives from both groups volunteered to work at the Seattle Handicapped Center where they presented entertainment. During the Christmas season, both organizations caroled at the Children's Orthopedic Hospital and the Retired Teachers' Home. Spurs also shelved books at the Library for the Blind.

Spurs and Ruffs, orientated groups of entering Sophomores. At Back-to-School-Night these two service groups directed parents to classrooms.

Faculty recommendations, grade point, participation in activities, leadership ability, and recommendations from previous Spurs and Roughriders are the criteria by which the two honor groups are chosen.

Mrs Smith,
It has been a real challenge in your class this year. I have never gained so much in so many ways in the past semester. I wouldn't trade but so much I would have enjoyed it more if I could have given you a better effort. Thanks a lot for a terrific year.
Bob Camp

To our grand L.A. teaches
This semester has
certainly been broadening
our discussions of objectively
have brought out
many things to
be considered.
Undoubtedly time
will prove us
both right, because
I think that we're
both saying the

Dear Mrs. Smith

I can not thank you enough for the preparation ~~you~~ you have given me for college. You have helped me to see and improve some of my weak spots and I will work hard to overcome all of them.

I hope I will be able to tell you in a few years about my experiences on a newspaper. The term paper really helped me to decide.

Have a restful summer, enjoy sailing and I hope you get to return to Europe.

Love,
Christy Luker

foreign countries.

Mrs Smith

I can truthfully say that of all my teachers you have inspired me the most. Don't ever think that your tremendous effort is not appreciated although it may seem futile at times. It's been real nice being in your class but I was a bit allergic to all the work you gave out. I found out though if you expect to get a grade you have to work for it.

Steve Yarno

(P.S.) It's been a lot of fun in your class.

My Wonderful Mrs Smith:
Where do I try to think of all the wonderful things of you have done for me I feel as if I will never be able to repay you. All of the words that you assign seems a great burden at the time we must do it. But I think very fine students realize all of the work it made to correct the work and guide the students toward the right path. Mrs Smith you this year.

I will always remember you. And keep up the wonderful teaching with students may have much any I know they will look complain I thank you. back and thank you. I am proud I thank you a humble student

and cultivate as possible that you have with me to carry as many of the qualities tried to instill in me. I haven't gotten more out of the senior year that I can put my finger on but probably the sophomore year was the most valuable year. It helped me to understand myself and my world and my place in it. There is no other teacher in any school can have done. all I can say is my deepest thanks appreciation and concern the world you have enriched future.

Sincerely,
Clare Saund
